Disinfectant Foam Cleaner

SECTION: I
NUMBER: 18
DATE: 6/1/03

**Professional LYSOL® Brand Disinfectant Foam Cleaner
EPA Reg. No. 777-71-675**

Q: *Does this product claim efficacy against Tuberculosis (TB)?*

A: Although this brand does carry hospital claims including efficacy against HIV-1, it does not claim efficacy against TB.

Q: *Is this product available in a trigger spray or liquid version?*

A: Yes, Reckitt Benckiser Professional offers one other product that provides the same efficacy and superior cleaning ability in liquid form. It is the Professional VANI-SOL® Bulk Disinfectant Washroom Cleaner (EPA #675-35). This product is packaged in 4X1 gallon cases and 55-gallon drums.

Q: *What types of soils are these products effective against?*

A: The two products mentioned above are extremely effective against soap scum, body oils, tanning lotion. In addition, these can be used to clean general soils including greasy soils.
