W. D. WILLIAMS

Dear Mr. Williams:

This is in reply to correspondence regarding compound acceptance.

Your product VANI-SOL PER DIEM is acceptable for use in toilets and/or dressing rooms of official establishments operating under the Federal meat, poultry, shell egg grading, and egg products inspection programs.

Acceptance of this compound by this Department is in no way to be construed as an endorsement of the compound or of any claims made for it.

If any change is made in the labeling information or formulation, the authorization for use in official plants becomes void immediately.

Sincerely yours,

Donald D. Derr, Chemist
