## **BULLETIN**

**SUBJECT: Consumers of Professional Products**

**SECTION: V**

**NUMBER: 15**

**DATE: 6/1/03**

Often, when selling an account one is asked: “Who else in our industry, or has this equipment manufacturer evaluated your brands for use in cleaning or disinfecting procedures?” Use of specific brands by large well-known organizations provide prospective buyers with a level of assurance that the best only use the best.

Attached is a list of manufacturers and/or organizations that have evaluated and recommend the use of Reckitt Benckiser Professional products. In addition, three lists of large health care, hospitality and other organizations are included that have found Professional products and company responsiveness to meet their cleaning and sanitation needs.
