

# RECKITT BENCKISER

— PROFESSIONAL —

## STONE SEALER (Discontinued)

- Seals and protects the floor surface to allow for routine maintenance and extended floor life.
- Provides a durable foundation and creates a higher shine for finishing coats.
- Enhances floor colors and provides gloss, even on concrete and slate floors.
- Will not be harmed by repeated detergent and detergent-disinfectant scrubbing or by routine stripping of waxes and finishes.
- Formulated specifically for nonresilient floors\*, yet is compatible with resilient tile and most acrylic finishes.
- Approved by Underwriters Laboratories Inc.® (UL) for slip resistance.

\*Not recommended for use on polished granite or marble nor on glazed ceramic tile.
