FLOOR FINISH (Discontinued)

- Durable finish - detergent and detergent-disinfectant resistant.
- Versatile formula - Recommended for dry buff or spray buff maintenance methods.
- Water-based, metal cross-linked acrylic polymer formula.
- Softer film formation provides more resistance to dirt particles and sand that will abrade the finish - more scratch resistant.
- For use on most resilient and nonresilient floors.
- Approved by Underwriters Laboratories Inc.® (UL) for slip resistance.
