

SBR2000 Spray Buff / Restorer
(Discontinued)

- Restores gloss without the need to recoat with finish.
- Ready-to-use as a spray buff solution to clean and shine.
- Dilutable 1:1 as a mop-on, burnishable compound to repair and restore.
- Water-based, acrylic formula contains no high concentration of solvents.
- Extends finish life to increase time between expensive stripping operations.
- For use on most resilient and nonresilient floors.
- Approved by Underwriters Laboratories Inc.® (UL) for slip resistance.
