

RECKITT BENCKISER

— PROFESSIONAL —

WAX STRIPPER
(Discontinued)

- Fast and effective— dissolves films to remove old waxes, finishes and sealers.
- Ammonia-free – more pleasant to use.
- Contains no solvents and phosphates.
- Concentrated formula allows for several use-dilutions (see chart).
- For use on most waxes, finishes and sealers on most resilient* floors.

*Not recommended for use on wood, painted surfaces or nonresilient floors
